Dickson does not like that the agreement states Dallas County shall have sole independent authority for employment. Dallas County, as the Regions fiscal agent, completes the budget, payroll and accounts payable, which they are compensated 1% of the mental health budget to do so. Dickson doesn't think that Dallas County should be profiting off of us. A 60-day notice must be given prior to termination of agreement to leave the region. The system covers 95% of the State, Carney asked why not 100% coverage? Gappa explained that due to some geographical factors 100% coverage isn't guaranteed. The County would maintain their own radios and consoles. Mackres explained that County Road departments, Schools and utility companies are also going to ISICS. The estimated cost to set up new communication system and dispatch radio console is \$820,000.00. The cost for just the consoles is \$440,000, and an additional \$380,000 for the optional microwave. The microwave would make the system more reliable. Guthrie County currently has an interoperability problem communicating with other Counties. Mackres stated that there should be a minimum 5-year plan to upgrade the system. All of the neighboring Counties are moving forward with or have completed these changes. Arber also presented newly added projects to the plan, which consist of digitization of record books, GIS mapping additions, fairground sewer project and Public Health clinic remodel. Dickson brought up using ARPA funds to upgrade dispatch consoles, which has been an ongoing discussion that the Board has considered funding via a bond. This suggestion would potentially eliminate the newly presented projects, as the suggested funding allocation would be needed for the console upgrade. Grasty agreed that it would be better to use ARPA funds to take that burden off county tax payers. Carney stated that the public won't 'see' many of the ARPA projects, but the fairground sewer they would. Kuster also stated that there are a lot of people that go to the fair and he wouldn't want to scrap the sewer project. Grasty stated it gets down to which is a priority, and what is being considered is using the money for emergency communications versus recreation. Dickson reminded the Board that the County already contributes \$38,000 to the fair board annually. Kuster stated it's much more about education, it's a lot for the youth, and what it's teaching them and their parents who are taxpayers. Grasty reiterated that the console being paid by ARPA would take burden off all taxpayers. Dickson suggested re-obligating funds for the console, and monies remaining to be obligated could be obligated to the sewer project. Carney stated that they would probably scratch the project if the county doesn't obligate the funds presented. The ARPA committee will meet to go over the projects.

Regular Session

October 18, 2022

The Guthrie County Board of Supervisors met this 18th day of October, 2022, in regular session in the meeting room at the Guthrie County Courthouse in Guthrie Center, Iowa with the following members present: Clifford Carney, Mike Dickson, Everett Grasty, Jerome "J.D." Kuster and Jack Lloyd.

The meeting came to order at 9:00 a.m.

Motion by Grasty Second by Lloyd to approve Agenda for October 18, 2022. Motion carried: Ayes: 5 Nays: 0.

Board recited the Pledge of Allegiance.

Jotham Arber, Guthrie County Health Services, presented updated project listings for the American Rescue Plan. Tyler Carney and Spencer Sloss, Guthrie County Fair Board, joined the meeting and provided a proposal for the fairground's sewer project, which they are asking \$225,000.00 from ARPA Funds from Guthrie County. T. Carney stated that any future sewer connections will be on the fair board to fund. Dickson asked if they have asked the City of Guthrie Center to put the line in that needs connected to the city sewer, or if they have asked the city for any type of funding as Cities also received their own ARPA funds. T. Carney stated that they have not discussed assistance from the city. The other project discussed was Sheriff Dispatch Consoles. The board has received a proposal from Motorola, for \$441,000.00, to complete the dispatch console project. The Board has previously discussed bonding for the funds to complete the console project.

Motion by Carney second by Lloyd to delete the GIS mapping project, return \$36,432.00 back to be obligated, and split the remaining ARPA Funds, roughly \$210,000.00, between the Guthrie County Fairgrounds Sewer Project and Sheriff Dispatch Consoles. Dickson and Grasty disagreed with funding the fairgrounds sewer project because those funds could go towards the dispatch console, eliminating burden to the tax payers to bond for the remaining \$220,000.00 to complete the console project. Dickson stated he doesn't like that the fair board hasn't gone to the City of Guthrie Center to ask for funding, and again expressed concerns over how the County will pay for the dispatch consoles. Kuster asked if there wasn't any extra money, how would the consoles be paid for then? Dickson stated they would have to bond for it, but since the money is here, why burden the tax payers. Carney stated the Sheriff would have to find the remaining money to complete the dispatch project. Dickson suggested the fair board look into a bond for the sewer project, and use the County's \$30,000 they already contribute to the fairgrounds to cover the payments. T. Carney stated the money from the County is not guaranteed, and Dickson agreed, but said that agreement could be discussed. T. Carney emphasized that he does not take the yearly money, from the County, for granted. T. Carney stated they would go to the city and discuss funding with them as well. Motion carried: Ayes: 3 Nays: 2 (Dickson, Grasty).

The Guthrie County Board of Supervisors met this 5th day of January, 2023, in regular session in the meeting room at the Guthrie County Courthouse in Guthrie Center, Iowa with the following members present: Maggie Armstrong, Mike Dickson, Brian Johnson, Jerome "J.D." Kuster and Steve Smith.

The meeting came to order at 9:01 a.m. Board recited the Pledge of Allegiance

Motion by Armstrong second by Smith to approve Agenda for January 4, 2023, Dickson asked when it was discussed to change the form of the agenda. Johnson asked who usually sets the form. Johnson stated he used his prerogative as, Board Chair, to change the format of the agenda, but that he is willing to be flexible. It is a form that he is familiar with and has seen from the federal to local level. Motion carried: Ayes: 4 Nays: 1 (Dickson).

Johnson addressed the public comment period, and stated that the goal was to bring some organization to the meeting, some do it at the beginning and some do it at the end. Dickson asked if the public can still address the board on agenda items as they are discussed. Johnson stated only if they are recognized, and Smith asked how they would be recognized. Johnson stated that needs to be worked out. Johnson thinks this allows the public to know that they can speak. Dickson preferred how it has worked in the past that the public has been able to speak on a topic at the time it comes up. Smith stated that there needs to be structure to the meetings, they are here to conduct business and while they do want to hear what the public has to say, they want to be able to streamline their meetings and continue with their business. Johnson proposes to start out this way, and then start moving forward and discuss as they go.

Motion by Armstrong second by Johnson to approve minutes from January 3, 2023 as amended. Motion carried: Ayes: 5 Nays: 0.

Board discussed en bloc confirmation calendar for Guthrie County Annual Appointments. The list of approved appointments is attached.

Motion by Armstrong second by Smith to approve en block confirmation calendar. Motion carried: Ayes: 5 Nays: 0.

Dickson stated he is still working on setting a meeting with the EMS Advisory council. With the holiday's it was hard to have everyone available.

Johnson would like to set IT, Brandon and the Auditor to look into options to reconfigure the Board room. Johnson stated he has no time frame, he just wanted to put it out there.

Dickson asked to have 'approval of' added to indicate action items on the agenda.

Regular Session

January 10, 2023

The Guthrie County Board of Supervisors met this 10th day of January, 2023, in regular session in the meeting room at the Guthrie County Courthouse in Guthrie Center, Iowa with the following members present: Maggie Armstrong, Mike Dickson, Brian Johnson, Jerome “J.D.” Kuster and Steve Smith.

The meeting came to order at 9:00 a.m.

Board recited the Pledge of Allegiance.

Motion by Smith second by Armstrong to approve Agenda for January 10, 2023. Motion carried: Ayes: 4 Nays: 1 (Dickson).

Sandra Jackson, Elderbridge Agency on Aging, joined the meeting to provide an overview of service deliveries over the past year in Guthrie County. Home delivered meals are the largest service provided in Guthrie County. Elderbridge is asking for a \$0.05 increase in County Match funding for a total amount of \$9,703.00. Bob Kempf informed the Board that he is the County Rep for Elderbridge, and his term expires 12/31/23.

Carla Hilgenberg, Bayard Library Director, asked the Board for a 5% increase in County contribution. The library directors touched on mental health, and being available to meet the needs of the community members who don't have access to information or materials necessary for daily living, along with the benefits to children in their communities to give them the chance to be successful and be encouraged. Dickson asked if the smaller town libraries see more town or rural people. Jamaica and Menlo both stated they see a mix. Menlo mentioned that they see a lot of kids after school.

Brad Halterman, Guthrie County Conservation Director, presented the minutes from the December 12, 2022 Conservation Board Meeting, along with the 2022 REAP report. Kuster asked why the decision was made to not charge for trail passes on Raccoon River Valley Trail (RRVT). Halterman explained that Dallas County decided to do away with trail passes on RRVT in Dallas County beginning January 1, 2024, and Greene County is doing the same. RRVT runs through Dallas County, Guthrie County and Greene County. Each county received their fees based off of the miles of trail each county had. This decision will be roughly a \$9,000 reduction in revenue to Guthrie County. Halterman provided an explanation of REAP.

Jotham Arber, Guthrie County Health Services Director, provided an update on public health, environmental health and the transfer station.

Josh Sebern, Engineer, discussed the road use agreement with MidAmerican energy. He stated the County entered into the road use agreement last year. With their project complete, Sebern asked for approval to close out the road use agreement with MidAmerican Energy (Eclipse Wind Farm Repower).

Motion by Kuster second by Dickson to approve closeout of Road Use Agreement with MidAmerican Energy (Eclipse Wind Farm Repower). Motion carried: Ayes: 5 Nays: 0.

Sebern then discussed All Systems Overweight Permit – County Option to Participate. Sebern shared a map, which is specific only to highways. The permit could cover all roads in the county, but there are mixed reviews coming from other counties on this. Some only designate 2 miles of county road, others have opted in with more miles. Sebern stated the highways were chosen based on bridges. Board would like to see what information Sebern comes back with from a meeting he is attending on January 11th, and will review again. Sebern stated he is leaning towards opting in, but with some limited measures.

Johnson proposed to complete the appointments of Guthrie County Township Clerks and Trustees. Last week it was discussed to put a hold on completing appointments of townships that are not meeting gender balance rules outlined by Iowa Code. Armstrong brought up gender balance on a larger scale, and needing to look at it across the county's appointed boards and commissions. Armstrong doesn't think its fair to make this change now, and short the townships of their 3-member representation at budget time. Dickson stated that only 1 appointed township has two trustees up that would affect their voting power for completing budgets. The remaining townships would still meet a quorum.

Motion by Johnson second by Armstrong to approve township appointments based on previous list reviewed, and attached, for 90 days. Dickson asked if this can be done, to appoint someone for 90 days? Johnson stated it goes back to Roberts rules, Dickson thinks it would go back to Iowa Code, and would like the County Attorney to look at this. Motion carried on a roll call vote: Johnson: Aye, Kuster: Aye, Armstrong: Aye, Smith: Aye, Dickson: Nay.

Armstrong discussed the selection of official newspapers that was done at the January 3, 2023 Board meeting. Armstrong doesn't believe the Board's job was done correctly prior to that first Board meeting in regards to specifically detailing on that meeting's agenda that the official newspapers would be selected. Armstrong specifically referenced Iowa Code 21.4(1)(a) regarding the responsibility for public notice for topics discussed during open meetings. Armstrong referenced that the January 3, 2023 agenda item "2023 Annual Appointments and Motions", under which the official newspapers were selected, was too vague as nowhere in there did it state they would be reviewing or taking action on the official newspapers. She added that it is not reasonable to suggest that a person would be expected to understand that agenda language would include the selection of official newspapers. Her opinion is that the Board did not adequately satisfy their burden of responsibility, according to Iowa Code 21.4(1)(a). Armstrong doesn't believe this should be considered an oversight, and needs to be gone back over and be very clear on what they are asking for. Dickson mentioned that other topics have not been specific either, and have been acted on, to which Armstrong stated she was specifically talking about this topic. Dickson's opinion was that if this topic was being brought up to discuss, all other actions should be discussed as well. Armstrong stated that not everyone knows the routine of past meetings. Dickson stated that newspapers know that they have to send to the county to be an official publication, and they know that it goes under those annual appointments. Dickson doesn't believe that Iowa Code Chapter 21 has been followed across the board.

To ensure Board of Supervisors legally complies with IA Code Chapter 21.4(1)(a) regarding Public Notice Requirements, Armstrong initially motioned and Johnson seconded to rescind the January 3, 2023, Board of Supervisors motion designation the county's official newspapers and place the item explicitly on the January 12, 2023 agenda as follows: Selection of County's Official Newspapers per IA Code Chapter

349. Smith states it is a hard one, because they have voted, and have made some decisions on this. Dickson asked if they were going to rescind motions on all other appointments and motions that were not specifically listed. Armstrong stated they could discuss that. Johnson asked if papers would be required to submit their letters of request again, to which Armstrong stated they would not, this is just to establish a deadline. Dickson asked for the motion to be restated; his opinion is the motion contained two motions in one, and that the motion to rescind should be a motion on its own.

To ensure Board of Supervisors legally complies with IA Code Chapter 21.4(1)(a) regarding Public Notice Requirements, Motion by Armstrong second by Johnson to rescind the January 3, 2023, Board of Supervisors motion designation the county's official newspapers. Motion carried: Ayes: 3 Nays: 2 (Dickson, Kuster).

Motion by Armstrong second by Smith to place the item explicitly on the January 12, 2023 agenda as follows: Selection of County's Official Newspapers per IA Code Chapter 349. Dickson pointed out that there is nothing on the agenda saying that any action would be taken on this motion or the previous motion. Motion carried: Ayes: 3 Nays: 2 (Dickson, Kuster).

Motion by Johnson second by Armstrong to Appoint Steve Smith to the Region XII Council of Governments Executive Board. Motion carried: Ayes: 5 Nays: 0.

Motion by Armstrong second by Smith to appoint Brian Johnson to the Region XII Council of Governments Policy Council. Motion carried: Ayes: 5 Nays: 0.

Motion by Kuster second by Armstrong to set 2023 mileage rate at \$0.56, which is 85% of the federal mileage reimbursement rate. Motion carried: Ayes: 5 Nays: 0.

Kuster stated he and Smith attend the Guthrie Center City Council meeting in regards to the brick street on the north side of the Law Enforcement Center. The city is having trouble getting ahold of Jensen Builders insurance company. Kuster then asked how the township meeting with Panora Ambulance went the evening prior. Johnson, Armstrong and Auditor Dani Fink attended. Overall, it was a positive meeting that offered more clarity on what Panora Ambulance is asking. Fink explained that it will take some work on her part with the Townships to figure value for townships that have fire splits.

Motion by Kuster second by Armstrong to approve consent agenda. Motion carried: Ayes: 5 Nays: 0.

There being no further business to come before the Board at this time, the Board adjourned at 11:27 a.m. until its regularly scheduled meeting on Thursday, January 12, 2023. Motion by Kuster second by Smith. Motion carried: Ayes: 5 Nays: 0.

Regular Session

January 12, 2023

The Guthrie County Board of Supervisors met this 12th day of January, 2023, in regular session in the meeting room at the Guthrie County Courthouse in Guthrie Center, Iowa with the following members present: Maggie Armstrong, Mike Dickson, Brian Johnson, Jerome "J.D." Kuster and Steve Smith.

The meeting came to order at 9:00 a.m.

Board recited the Pledge of Allegiance.

Motion by Armstrong Second by Smith to approve Agenda for January 12, 2023. Motion carried: Ayes: 3 Nays: 2 (Dickson, Kuster).

Johnson asked if there were any public comments. Steve Brannan, 6502 Panorama Rd, Panora, addressed the Board to ask if the public could make comments on an agenda item, as it is being discussed Johnson stated it needs asked during the public comments section. Brannan asked if it could be discussed during the topic, Dickson thinks the public should be allowed to discuss topics as they come up.

Motion by Dickson second by Kuster to allow the public to address the Board as the meeting goes, and agenda topics are brought up. Armstrong stated that in Iowa Code they can allow for comments to be made, but the chair should be allowed to bring the room back into control. Motion carried: Ayes: 4 Nays: 1 (Johnson).

Johnson asked that the Chair recognize the crowd, and other Board members can let him know if they see someone who wants to speak.

Board discussed ordering of detention glass for law enforcement center. Dickson doesn't feel comfortable approving the option that has been presented, because it leaves the county to pay over \$90,000 in costs. Smith stated that he would prefer Dickson to continue to be the representative on the law enforcement center project because he knows the history.

Motion by Smith second by Kuster to appoint Mike Dickson the rep for the Law Enforcement Center Project. Motion carried: Ayes: 5 Nays: 0.

Dickson stated he would contact Jeff Stone, Attorney for the Board on the Law Enforcement Center, and make sure the county isn't on the line for any money on ordering the detention glass. Dickson then asked about a contract that Johnson signed yesterday for painting. Dickson is asking if the County can get out of that. The painting is incorporated with the detention windows. Dickson stated the Board should have acted on it. Johnson stated that he will look into if they can get out of that contract.

Motion by Kuster second by Smith to table ordering of detention glass for Law Enforcement Center. Motion carried: Ayes: 5 Nays: 0.

Motion by Kuster second by Dickson to propose a meeting, if needed, Friday, January 13, 2023 at Noon. Motion carried: Ayes: 5 Nays: 0.

Motion by Armstrong second by Johnson to table selection of county's official newspapers per Iowa Code Chapter 349. Dickson asked that since there are 3 newspaper submissions, it is a contested submission, and what steps need to be taken to move forward with selection. Motion carried: Ayes: 5 Nays: 0.

Board held a Fiscal Year 2024 budget work session.

Motion by Armstrong second by Johnson to approve consent agenda; minutes from previous meeting; claims from January 4, 2023 through January 12, 2023 in the amount of \$205,081.32. Motion carried: Ayes: 5 Nays: 0.

Dickson explained, in his opinion, that a motion made at the previous meeting, appointing Townships clerks and trustees to 90-day terms, doesn't follow Iowa Code. Code states 4-year terms are applicable to appointed townships.

Motion by Dickson second by Kuster to rescind the motion passed at the previous meeting on appointment of trustees. Dickson questioned why an ad hasn't been placed yet to seek gender balance on the township appointments. Motion carried: Ayes: 4 Nays: 1 (Johnson).

Motion by Dickson second by Smith to cancel action on number 11 on the agenda, listed as: Iowa Code Chapter 21 – Board Action on Agenda, Rescind the Motion passed at the last meeting on motion to rescind county official publications. Motion carried: Ayes: 5 Nays: 0.

Dickson stated that he brought up item 12 on the agenda: Iowa Code Chapter 21, Rescind the motion passed at the January 5, 2023 meeting on motion to approve annual appointments en bloc, to stick with chapter 21 that was brought up at the January 10th meeting. Dickson stated that if the official publication is going to be brought up for not being specific then the en bloc needs brought up as well.

Motion by Dickson second by Kuster to rescind the motion passed at the January 5, 2023 meeting on Motion to Approve annual Appointments En Bloc. Armstrong stated that she is struggling with the fact that the 2023 annual appointments and motions were tabled at the January 3, 2023 meeting, and setting the official publications were part of that agenda item, but were then pulled back out at the January 3, 2023 meeting and voted on. Motion failed: Ayes: 2 Nays: 3 (Armstrong, Johnson, Smith).

The Board discussed agenda item 13, Iowa Code Chapter 21 – Open Meetings Violation; rescind motion passed at January 3, 2023 meeting on motion to approve BOS Chair. Johnson stated that the accusation is the BOS Chair violated open meetings law prior to the January 3, 2023 meeting and prior to Johnson being sworn in. Dickson and Johnson have both sought opinions on this topic. Johnson stated that the topic of violating open meetings laws would not be discussed as it should not be in a Board meeting forum. Dickson stated it could be discussed, as it is on the agenda, and proceeded to explain his concern.

Motion by Dickson second by Kuster to rescind motion passed at January 3, 2023 meeting on motion to approve BOS Chair based on open meetings violation on having a quorum outside of an open meeting. Motion failed: Ayes: 2 Nays: 3 (Armstrong, Johnson, Smith)

Steve Brannan stated to let the county attorney look into the matter and issue a final decision.

There being no further business to come before the Board at this time, the Board adjourned at 10:45 a.m. until its regularly scheduled meeting on Tuesday, January 17, 2023. Motion by Kuster second by Smith. Motion carried: Ayes: 5 Nays: 0.

Board received a counter proposal from the City of Guthrie Center. The city proposes a quote of \$64,820 to repair Grand St, between N 5th & N 6th Streets, to be equally shared between the city and the County. The City will carry the contract for this project & oversee all work being done. The proposal also states if any further repairs to the base of the street are discovered upon removal of all the bricks, the additional expense will also be divided equally between the city and county. The board is concerned with the reference of any additional costs to repair the base of the street, which is unknown at this point. Armstrong and Smith stated after they met with the city last week, they were of the understanding the proposal would be a solid dollar amount, not the inclusion of costs for potential repairs to the base of the street. The city proposal also states the city will pay \$8460 to replace the curb & gutter along the South side of Grand St, approximately 115 ft in length. They also state that the brick street, from N 5th – N 6th will NOT be re-opened until the city is paid in full for the cost of the street replacement & all repairs completed to the satisfaction of the Guthrie Center Street Superintendent.

Motion by Smith second by Armstrong to split the cost to repair Grand St, between N 5th & N 6th St, with the city, up to, \$32,410, with a reasonable completion timeline. The county will assume no more financial liability beyond \$32,410. Dickson asked for the motion to include where the money is going to come from. Dickson stated that the citizens didn't vote to fix a Guthrie Center Street, he believes they are opening a can of worms here for other cities to rely on the county to fix their streets. Armstrong asked if Dickson saw another path forward, to which he stated he believes the insurance companies should fight it out. Armstrong asked why that wasn't considered previously, Dickson stated that it was considered, the county went straight to their insurance company and has been waiting for the city to take action. Motion carried: Ayes: 3 Nays: 2 (Dickson, Kuster).
