<p>Public Measure IU</p> <p>Shall the following public measure be adopted?</p>	<p>Shall the Guthrie County Board of Supervisors be authorized to implement a property tax, for a period not to exceed fifteen (15) years, for the purposes of creation and the maintaining of essential countywide emergency medical services. The amount would be \$0.75 (Seventy-Five Cents) per \$1,000.00 (One Thousand Dollars) of assessed value on all taxable property (taxable value) within the county. The reason for this program is to enhance and strengthen our essential county ambulance services through the provision of professional paramedic level emergency care, reduction of response times, and improvement of patient care outcomes.</p>
